The deposits of unsuccessful tenderers will be returned at once and that of the successful tenderer will be credited towards the one-fourth deposit amount.

4. The successful tenderer will, within three days of the receipt of the intimation of the acceptance of his tender, pay the balance of the one-fourth deposit amount; in default, the order of acceptance will be cancelled and the "earnest money" referred to in para 2 *supra* forfeited to Government.

8. Timber paid for may be removed at any time within thirty (30) days from the date of sale without payment of dépôt rent; but if left in the dépôt longer than thirty days from the date of sale, such timber will remain at the risk of the tenderer and further shall be charged with dépôt rent at Rs. 6-4-0 per cent per annum on the sale amount from date of sale. If the timber be not removed within thirty days from date of sale, the same will, after ten days' notice to the tenderer, be sold by public auction for the recovery of rent and costs after due publicity of the sale, subject to full payment at once and immediate removal, and the balance of sale proceeds, if any, shall be paid to the original tenderer. If, before such sale is concluded, the original tenderer pays the rent due and cost, he shall be allowed to remove his timber.
